--------------	--------	--------------	--------

- Select "Taleris Audio Account Access" from our Phone Directory, then simply — FOLLOW THE PROMPTS!!
- Many transactions and inquiries require that you enter an identification number for each Savings, Checking, or Loan account. We call them "IDs." If you are not familiar with these numbers, while in Menu Access Option, press "1" for Balance Inquiries and then press Service Code "1" for the Savings IDs or "2" for the loan IDs for your account. In the Expert Access Option, use Service Codes "11#" for the Savings IDs and "12#" for the loan IDs. You should note the IDs for future reference.
NOTE: Savings and loan IDs are shown on your Monthly Account Statement.
- To change from the **Menu Access Option** to **Expert Access Option**, (Expert Access allows you to select options using the Service Codes to the right instead of using menu prompts), select Service Code "8" for Change Options and then "2" to change to Expert Access.
- When entering "Dollar Amounts", you do not need to enter a decimal (.) point. To enter \$125.50, press 12550#.
- When entering a date, i.e., July 27,2010, press 07272010#
- For withdrawals by Check from Savings, Checking, and loan Advances, there is a minimum amount of \$25 per check.
- To change from Expert Access Option to the Menu Access Option, select Service Code "82#" from the Expert Access Option.
