HEREIN THESE AGREEMENTS AND DISCLOSURES TALERIS CREDIT UNION, INC. IS ALSO KNOWN AS "TCU," "WE," "OUR," "US" OR "CREDIT UNION" AND THE DEPOSITOR/MEMBER IS ALSO KNOWN HEREIN AS "YOU" OR "YOUR".

Membership in Taleris Credit Union, Inc. (TCU) also known herein as TCU requires that a share (\$5.00 par value) is purchased and maintained. A Savings Account is initially established in which the share is maintained. This account will be referred to as the Primary Savings (Share) Account. If the balance in this account falls below \$5.00 (the cost of the required share) at any time, membership is considered terminated and all privileges will be suspended pursuant to the Depositor Agreement Bylaw Requirements below.

All account relationships will have the same type of ownership as the Primary Savings Account. For example, the Primary Savings Account is opened as an Individual Account therefore subsequent related accounts (savings, clubs, checking etc.) will be opened as Individual Accounts.

Eligibility for Membership and Loans include Employment, Credit Bureau and ChexSystems verification.

In the event of either [written] notice of the existence of a dispute between the owners, beneficiaries/POD payees, or other persons concerning their respective rights of ownership to the funds contained in, or proposed to be withdrawn, or previously withdrawn, from an account(s), or TCU's uncertainty as to who is entitled to the funds in an account(s), we reserve the right to place an administrative hold on the funds in the account(s), notify all owners, beneficiaries/POD payee(s), and/or all other persons claiming an interest in the account(s), of either the dispute or TCU's uncertainty as to who is entitled to the funds, and will not release the funds to any owners, beneficiary(s) POD Payee(s) or other persons claiming an interest in funds in the account, until TCU receives either: a request for payment in writing agreed to by all owners, beneficiary(s) POD Payee(s), or all other persons claiming an interest in funds held in an account(s), or the payment is authorized or directed by a court of proper jurisdiction.

TCU reserves the right, at any time, to require members to give in writing, not to exceed 60 days notice of intention to withdraw the whole or any part of the amounts so paid in by them (see Code of Regulations Article IV). Shares paid in under an accumulated payroll deduction plan may not be withdrawn until credited to a member's account. No member may withdraw shareholdings that are pledged as required security on loans without the written approval of the credit committee or a loan officer, except to the extent that such shares exceed the member's total primary and contingent liability to TCU. No member may withdraw any shareholdings below the amount of his/her primary or contingent liability to TCU if he/she is delinquent as a borrower, or if borrowers for whom he/she is co-maker, indorser or guarantor are delinquent, without the written approval of the credit committee or loan officer.

- B. **Right to stop payment and procedure for doing so.** We require you to put your stop payment request in writing. Call Member Services (see Contact Us) to request the ACH Stop Payment form. We must receive the completed form 3 business days or more before the payment you wish to stop is scheduled to be made. The ACH Stop Payment Fee must be available for us to charge the account or the stop payment request will not be completed. Refer to current "Schedule of Service Charges" for the ACH Stop Payment Fee amount. If the ACH charge to your "Funding Account" is rejected or returned because you have instructed us to stop a recurring payment, you will be charged an ACH Return Item Fee. Refer to current "Schedule of Service Charges" for ACH Return Item Fee.
- C. **Liability for Failure to Stop Payment of Preauthorized Transfer.** If you request to stop a preauthorized payment 3 business days or more before the transfer is scheduled and the Stop Payment Fee is available for us to charge the account, and we do not stop the payment, we will be liable for your actual loss or damages.
- D. **Provisional Payment.** Credit given by us to you with respect to an automated clearing house credit entry is provisional until we receive final settlement for such entry through a Federal Reserve Bank. If we do not receive such final settlement, you are hereby notified and agree that we are entitled to a refund of the amount credited to you in connection with such entry, and the party making payment to you via such entry (i.e. the originator of the entry) shall not be deemed to have paid (you) in the amount of such entry.
- E. **Notice Disclosure.** Under the operating rules of the National Automated Clearing House Association, which are applicable to ACH transactions involving your account, we are not required to give next day notice to you of receipt of an ACH item and we will not do so. However, we will continue to notify you of the receipt of payments in the periodic statements we provide to you.
- F. **Choice of Law.** We may accept on your behalf payments to your account which have been transmitted through one or more Automated Clearing Houses (ACH) and which are not subject to the Electronic Fund Transfer Act and your rights and obligations with respect to such payments shall be construed in accordance with and governed by the laws of the state of Ohio as provided by the operating rules of the National Automated Clearing House Association, which are applicable to ACH transactions involving your account.
- G. **Failure to Complete a Preauthorized Transaction.** If we fail to complete a transaction we will be liable for your actual losses or damages with some exceptions:
 - 1. The transaction request contains inaccurate account information.
 - 2. Through no fault of ours, you do not have enough available funds in your account to complete the transaction.
 - 3. Your account has been closed or the sub account (for example Checking, Holiday Club, Money Market or others) is not available.
 - 4. Circumstances beyond our control (for example fire, flood, or power failure) prevent the transaction, despite reasonable precautions that we have taken.
 - 5. There may be other exceptions stated in our other agreements with you.
- H. **Returned.** If your ACH transaction is returned for Non-Sufficient Funds (NSF) you will be charged an ACH Return Item Fee. Refer to current "Schedule of Service Charges".

MEMBER BALANCE GUARDIANSM PROGRAM

Member Balance Guardian is an overdraft privilege limit that is automatically assigned to your Checking Account after 30 days for overdrafts; however you must complete an "opt-in" request to have overdraft protection on one-time debit card Point of Sale (POS) transactions. An "opt in" may be requested online or by contacting Member Services. You should note that your Member Balance GuardianSM limit will not be reflected in your balance provided by a Member Services Representative, at the ATM, through Taleris Audio Account Access or Teller 24e.

- A. **Insufficient Balance.** An insufficient balance could occur because of the following:
1. The payment of checks, electronic funds transfers or other withdrawal requests;
 2. Payments authorized by you;
 3. The return of unpaid items deposited by you;
 4. The assessment of service charges; or
 5. The deposit of items which, according to the Funds Availability Policy of Taleris Credit Union, Inc. (TCU), are treated as not yet available or finally paid.
- B. **We are not obligated to pay.** TCU is not obligated to pay any item presented for payment if your account does not contain sufficient funds. However, if you maintain your Checking Account in good standing (defined here as making regular deposits and bringing your account to a positive balance at least once every 30 days) and there are no legal orders outstanding, we may approve your reasonable overdrafts as a non-contractual courtesy. You may opt out of the privilege at any time, but you are responsible for any overdrawn balances at the time of opting out.
1. Normally, we will not approve an overdraft for you in excess of the predetermined overdraft limit assigned to your account type. So as not to exceed your limit, you should note that the amount of the overdraft plus the TCU Non-Sufficient Funds (NSF) fee per item will be deducted from the overdraft limit (Refer to current "Schedule of Services Charges" for Overdraft/Non-Sufficient Funds (NSF) Fees).
 2. We may refuse to pay an overdraft for you at any time, even though we may have previously paid overdrafts for you.
 3. You will be notified by mail of any NSF items paid or returned that you may have; however, we have no obligation to notify you before we pay or return any item.
 4. The amount of any overdraft plus the non-sufficient funds handling fee(s) that you owe us shall be due and payable upon demand. If there is an overdraft paid by us on an account with more than one (1) owner on the signature card, each owner and agent, if applicable, drawing/presenting the item creating the overdraft, shall be jointly and severally liable for such overdraft plus our Overdraft/NSF fee(s).
- C. **Opt Out.** You may opt out of the privilege at any time, but you are responsible for any overdrawn balances at the time of opting out.
- D. **Not an Encouragement to Overdraw.** Member Balance GuardianSM should not be viewed as an encouragement to overdraw your account. As always, we encourage you to manage your finances responsibly.
- E. **Canceling Overdraft Protection.** In the event you would like to have this service removed from your account, you can do so by simply calling Member Services (See Contact Us).
- F. **Limitations.** Member Balance GuardianSM is a non-contractual courtesy which is available to individually/jointly owned personal accounts in good standing. Taleris Credit Union, Inc. may discontinue this service without prior notice.
- G. **Member Balance GuardianSM** is a service mark of Taleris Credit Union, Inc.
- H. **Fees.** Refer to current "Schedule of Service Charges" for a list of applicable fees
- I. **Contact Us.** To contact Member Services dial 216.739.2300 or 800.828.6446.

WIRE TRANSFER AGREEMENT

The following rules shall apply to all wire transfer services provided by Taleris Credit Union, Inc. (TCU). As used in the Wire Transfer Agreement, the words "I", "us", "we", or "our" shall apply to and mean TCU. The words "you" and "your" shall apply to and mean the member who has requested or utilized the wire transfer services stated herein. This wire transfer agreement supersedes any inconsistent terms contained in the TCU Member Account Agreements and any previous wire transfer notice and/or agreements. This Wire Transfer Agreement is subject to modification and/or termination upon five days' written notice to you.

- A. **Acceptance of Payment Orders.** In general, we will accept payment orders only if you have signed a Wire Transfer Request, Agreement and Authorization for Transfer form, have a sufficient available balance on deposit in the appropriate account to execute the payment order, and produce valid identification. Once you have signed a Wire Transfer Request, Agreement, and Authorization for Transfer form we will process telephonic payment orders from you provided our security procedures are followed. Wire transfers may be delayed for additional verifications.
- B. **Wire Transfer Instructions.** You must accurately identify beneficiaries of a wire transfer request. TCU and receiving financial institutions may process a wire transfer request based only on the account number listed on the Wire Transfer Request and Authorization for Transfer form. TCU and receiving financial institutions may also process the wire transfer request based only on the financial institution's identifying number listed on the Wire Transfer Request, Agreement and Authorization for Transfer form. You agree to hold TCU harmless if the funds are not received and credited due to incorrect or incomplete instructions or information.
- C. **Security Procedures.** Once you have requested a Wire Transfer Request, Agreement and Authorization for Transfer form and provided means of identification, we will accept payment orders from you via the telephone and provide you with a Wire Transfer Request, Agreement and authorization for transfer form to be signed and faxed back:
1. Provided you have a sufficient available balance on deposit in the appropriate account to execute the payment order; and,
 2. You provide the above information to us when you call to make your payment order.

You hereby acknowledge that the security procedures described are commercially reasonable and that you have selected the security procedure offered by TCU after due consideration of all such alternatives and your business circumstances, including the size, type and frequency of payment orders that you anticipate issuing to TCU.

You hereby acknowledge that you will be liable for any payment order or communication amending or canceling a payment order, whether or not authorized, that is issued in your name and accepted by TCU in compliance with the agreed-upon security procedure. You hereby agree to follow the security procedure when making a payment via the telephone.

If the security procedure is breached by a third party, you are liable for any loss to the extent the third party gained access to your system, information codes, or other security devices.

- D. **Impossibility of Performance.** TCU will not be liable for failure to comply with the terms of a wire transfer agreement caused by legal constraint, interruption, or failure of the transmission and/or communications facilities, war, emergency, labor dispute act of nature, or other circumstances beyond the control of TCU.

- E. Notification.** You will be provided with separate notification each time we receive a wire transfer into your account. We will provide you with notification of incoming wire transfers as part of your periodic statement. In the event we accept payments to your account through one or more Automated Clearing Houses ("ACH"), the operating rules of the National Automated Clearing House Association ("NACHA") will be applicable to ACH transactions involving your account. We will provide you with next-day notice of receipt of an ACH item. As such, we will also provide you with notification of the receipt of these items as part of your periodic statement. You hereby agree to notify us in writing of any unauthorized or erroneous payment order within thirty days from the date you first received notification from TCU either that the order was accepted or your account was debited with respect to the order. Should you fail to promptly notify us of any unauthorized or erroneous payment order as discussed above, we will not be liable to you for any subsequent similar occurrence that we could have prevented had we received such notice.
- F. Choice of Law.** We may accept, on your behalf, payments to your account that have been submitted by Fedwire and that are not subject to the Federal Reserve System Electronic Funds Transfer Act ("Regulation E"). Your rights and obligations with respect to such transfers shall be governed and construed in accordance with Federal Reserve System Regulation J, Subpart B - Funds Transfers through Fedwire, and the applicable Federal Reserve Bank Operating Circular. Whenever an ACH is used as a part of a transaction that does not involve Fedwire, the rules of that ACH will govern that part of the transaction. Where none of the above-stated rules apply, the transactions contemplated by this agreement shall be governed by the laws of the State of Ohio, including Article 4A of the Ohio Uniform Commercial Code.
- G. Funds In Transfer Business Day.** Funds transfers occur on non-holiday weekdays (Monday through Friday) only. TCU's funds transfer business day consists of the hours from 8:00 A.M. to 3:30 P.M. Eastern Standard Time on those days that we are open for business. Any wire transfers or receipts after 3:30 P.M. Eastern Standard Time may not be completed until the following non-holiday weekday (please call to confirm). Payment orders are executed as soon as possible after received; therefore, you should tell us immediately if you wish to cancel or modify wire instructions. Efforts to act on requests for cancellations or modifications will be made, but TCU is not liable if, for any reason, the funds transfer is not canceled or modified. You agree to reimburse TCU for any costs, losses, or damages that are incurred in connection with requests to cancel or modify funds transfers. A refund of money from cancellation of a funds transfer will take place once TCU determines that the beneficiary has not received the funds and the funds are returned to TCU. The refund may not be equal to the amount of the original funds transfer due to charges that may be imposed by other financial institutions.
- H. Account Limitations.** It is the policy of Taleris Credit Union, Inc. to accept funds transfers from your Savings or Checking accounts; however, with respect to Money Market Accounts, during any statement period, you may not make more than six withdrawals or transfers to another TCU account or to a third party, by means of a preauthorized or automatic transfer, online banking, telephone order or instruction. If you exceed the transfer limitations set forth above in any calendar month/statement period, your account may be subject to closure by TCU.
- I. Fees.** We will charge you a fee (Refer to "Schedule of Service Charges" for fee amount) for each payment order you give to us. If wiring instructions you provide are incorrect and the wire transfer is returned to us for any reason, you can provide us with the correct information that will permit us to execute a new payment order; but in such case, additional fees may be charged by other financial institutions. TCU makes no warranties with respect to fees charged by other financial institutions with respect to your payment orders.
- J. Provisional Credit.** Credit given by us to you with respect to an ACH entry is provisional until we receive final settlement for the credit entry through a Federal Reserve Bank. If we do not receive final settlement, you are hereby notified that we are entitled to a refund of the amount credited to you in connection with the credit entry. Moreover, you are hereby notified that a third party making payment to you (the originator) shall not be deemed to have paid you the amount of the credit entry.
- K. Limitation of Liability.** In the event we are ever liable to you for damages due to failure to complete a transfer, your damages will be limited to actual damages only. We will not be responsible for incidental or consequential damages, court costs or attorney fees, unless otherwise provided by law or regulation. We assume no liability as to the length of time necessary to complete a transfer.

FUNDS AVAILABILITY POLICY

The Expedited Funds Availability Act enacted by Congress may have a considerable impact on you as a customer of financial services. The Act sets limits for the entire financial industry on the amount of time that may pass before checks (funds) deposited in your account are actually available to you.

You should receive specific information from each financial institution you do business with and understand that there are differences in how each institution will handle your deposit.

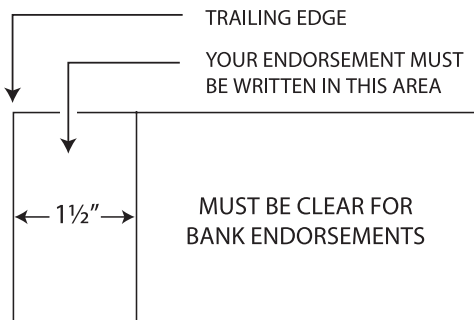

It is the general policy of Taleris Credit Union, Inc. (TCU) to make funds available to members as soon as possible and to earn dividends from the day of deposit.

However when you present a check that is drawn on another financial institution we must send the check to that financial institution to receive the funds; and we always risk the possibility that the check will be returned to us unpaid. Therefore we may withhold the amount of the check or a corresponding amount of funds that are already in your account or in another account you have with us until we receive credit for the funds.

Please remember that even after we have made the funds available to you, and you may have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid.

- A. Your Ability to Withdraw Funds.** Funds from payroll and government checks, U.S. Postal and TCU issued Official Checks, and electronic deposits will be available to you on the day we receive the deposit.
1. Funds deposited by you if you have ChexSystems or a repeated NSF (Non-Sufficient Funds) record will be available on the seventh (7th) business day after the day of deposit.
 2. Generally funds from all other check types will have \$200.00 immediately available and the remaining funds will be available on the second (2nd) business day after the day of deposit.
 3. We do reserve the right to make case by case exceptions. If we decide to delay the availability of funds from your deposit we will advise you and disclose the date the funds will be available.
(See Longer Delays May Apply).
 4. Once the funds are available to you they can be withdrawn or used to pay checks that you have written.
 5. If your deposit is not made directly to one of our employees or we decide to delay the availability of funds from your deposit after you have left the premises, the notice will be mailed to you by the day after we receive the deposit.
- B. Determining the Availability of the Deposit.** Every day is a business day except Saturday, Sunday, or a Federal Holiday. (A Federal Holiday schedule is published annually by the Federal Reserve Bank of Cleveland). If a deposit is made in our office, on a day we are open, or in our night depository between 8:00 AM and 3:30 PM or at our ATM, we will consider that the day of deposit. However, if a deposit is made after 3:30 P.M. or on a day we are not open, we will consider that the deposit was made on the next business day we are open.
- C. Longer Delays May Apply.** In some cases, we will not make all of the funds that you deposit by check available to you immediately. Depending on the type of check that you deposit, funds may not be available until the seventh (7th) business day after the day of your deposit. However, the first \$200 of your deposit will be available on the day of deposit.
1. Funds deposited by check may be delayed for a longer period under the following circumstances:
 - a. When TCU believes a check you deposit will not be paid ("Reason to Doubt Collectability") for example, the authenticity of the check is in question.

- b. Checks totaling more than \$5,000.00 on any one day.
 - c. A check that had previously been returned unpaid is redeposited.
 - d. An account has been overdrawn repeatedly in the last six months.
 - e. There is an emergency, such as a failure of communications or computer equipment. (For example, an act of nature)
- D. **Notification.** Notification will be made if the ability to withdrawn funds will be delayed for any of these reasons and you will be advised of the date when the funds will be available. If the deposit was not made directly to a TCU employee or the decision to take this action was reached after you have left the premises, a notice will be mailed by the day after we receive the deposit. Funds will generally be available no later than the seventh (7th) business day after the day of deposit.
- E. **Special Rules for New Accounts.** If you are a new customer, the following special rules will apply during the first thirty (30) days your account is open. Funds from electronic direct deposits to the account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5000.00 of a day's total deposits of cashier's, certified, teller's, travelers, and federal, state, and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be made payable to you. The excess over \$5,000.00 will be available on the seventh (7th) business day after the day of your deposit. If your deposit of these checks (other than the U.S. Treasury check) is not made in person to a TCU employee, the first \$5,000.00 will not be available until the second (2nd) business day after the day of deposit.
- Funds from all other check deposits will be made available on the seventh (7th) business day after the day of deposit.
- F. **Check Endorsement Rules.** As of September 1, 1988, financial institutions are under strict regulations on where endorsements may be placed.
- The law requires that all payee endorsements (yours) must be within 1 1/2" of the trailing edge of the check.
- The trailing edge is the left edge as you look at the front of a check. Use that same edge on the back of the check to determine your endorsement area.
- This limited endorsement area must also be used for the following:
1. Subsequent endorsements (for example You endorse a check and give it to someone else to negotiate).
 2. Identification information (for example a driver's license number, phone number).
